

**NEW AT TERRE**

# Eco-Friendly Organic – **AVENGER®** **WEED KILLER**

## AVENGER® WEED KILLER Organic Herbicide

Avenger® Weed Killer is a non-selective, post emergence herbicide that quickly and effectively kills weeds, grasses, and broad leaves

- **Fast Acting** – Visible results in less than 2 hours
- **Active Ingredient** – D-limonene (citrus oil) naturally strips away the waxy plant cuticle, causing it to dehydrate and die
- **Test Results Against:**  
**Leading Synthetic Herbicides and Non-Organic "natural" Herbicides that contain, vinegar (acetic acid), citric acid, clove oil or fatty acid (soap) –**  
Avenger® Weed Killer is not only effective, but fast acting with quicker results

### Eco-Friendly

- **Highly Biodegradable** – Dissipates quickly
- **Emulsion Technology** – Visually reference your spray target
- Sprayed areas can be planted within hours
- Safe for pets, people and wildlife.
- Works in cool & cloudy environments (as low as 40° F)
- Does not stain brick, concrete or pavement
- Made from Oranges–Pleasant citrus aroma

# BURNOUT

## BURNOUT

- **Non-Selective Weed Control** – BurnOut weed control is used on non-selective herbaceous broadleaf and grassy weeds.
- **Fast Acting Weed Killer** – Our weed killing formula can provide results in just hours! Additionally, once this product dries after application it becomes waterproof!
- **Variety of Uses** – It works in temperatures as low as 40 degrees Fahrenheit. It is great for use around borders, driveways, sidewalks, the base of mature trees, around buildings and more.
- **Made With Natural Ingredients** – Great Alternative solution to synthetic grass and weed killers. Also people, and pet friendly when used as directed.
- **Concentrate Mix Formula** – BurnOut concentrate is used in combination with water. Mix 1 part of this product to 3 parts water (8 fluid ounces of the product in 24 fluid ounces of water). Spray to the point of run-off, making sure that all of the foliage is wet. One gallon of finished spray solution covers approximately 1,500 sq.ft.
